

# WAVE Award

## Esk Valley Kindergarten Smokefree 2016

Waimate Mobile Kindergartens have been working hard on the Little Lungs - Pūkahukahu Iti programme with Debbie and Leola from WAVE. They visited all Waimate Mobile Kindergarten sites and taught children and parents all about Hari and the importance of being Smokefree through the Hari songs.

The Kindergartens have had staff workshops delivered and are now working on actions around Smokefree that will lead to completing their Smokefree icon for the WAVE Award - which Esk Valley Kindergarten has done!

*"Thank you for coming along to visit us at Esk Valley. We thoroughly enjoyed your visit and all the awesome equipment you brought along for us to use. We loved meeting your Smokefree mascot Hari and learning his song".*

*- Kristy McKenzie, Head Teacher*

*Hari and the Smokefree car visit  
Esk Valley Kindergarten.*

*Leola teaching staff and children at Esk Valley  
Kindergarten how to sign and do the actions  
of the "hari" song.*

WELL-BEING AND VITALITY IN EDUCATION

2016
