SET A GOOD EXAMPLE... WALK TO SCHOOL!

It's the perfect opportunity to demonstrate safe behaviour and it's good for your health and the environment.

One less car at the gate means it's safer for other tamariki too.

BE ACTIVE ON THE WAY TO SCHOOL

We encourage our tamariki and school community to be active for all or part of the journey to school.

Physical activity before school prepares tamariki for learning and is good for physical and mental well-being.
